

Marginal risk — Ohio Valley into the Northeast this afternoon–evening; isolated strong storms on the central/northern High Plains.

TORNADO

Low tornado probability. Any brief spin-ups most likely along the front from Ohio into western New York as storms organize this afternoon.

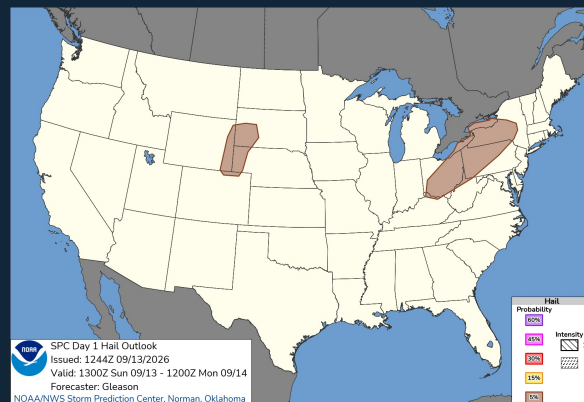

Watch towns: Columbus · Cleveland · Pittsburgh · Buffalo · Rochester · Syracuse · Scranton

HAIL

Isolated hail with the strongest cells — Ohio Valley/Northeast this afternoon–evening, plus central/northern High Plains.

Watch towns: Dayton · Youngstown · Erie · Binghamton · Cheyenne · Scottsbluff · Rapid City · Pierre

THUNDERSTORM

Damaging wind is the main severe threat as clusters/bows form along the cold front and race east across the upper Ohio Valley into the Northeast.

Watch towns: Cincinnati · Columbus · Akron · Pittsburgh · Harrisburg · Albany · Hartford · Boston
